

# General Contractors Association of Ottawa

## 1<sup>st</sup> annual Project Award Winners 2010

### ***Don Chutter Meritorious Achievement Award***

The ***Don Chutter Meritorious Achievement Award*** was presented to **EllisDon Corporation** for the Montfort Hospital project. This award is for the submission that best demonstrates the contribution of General Contracting to our quality of life in Ottawa. The project involved extensive renovations and an addition to the bilingual hospital.

*(L-R): Ken Disley (EllisDon); Michael Assal (GCAO); Dave Haley (EllisDon)*

### ***Awards of Excellence***

**Aecon Buildings** received the Award of Excellence for buildings valued **under \$15 million** for the Ottawa Central Ambulance Communications Centre.

*(L-R): Alex Leung (GRC Architects); Anders Persson (Aecon Buildings); Michael Assal (GCAO); Lew Triemstra (Aecon Buildings)*

This design-build project is a combination of renovations and new construction and functions as the city's state-of-the-art ambulance 911 centre.

## General Contractors Association of Ottawa

**PCL Constructors Canada** received the Award of Excellence for buildings valued **over \$15 million** for the multi-phase Victoria Memorial Museum Building Rehabilitation project. This heritage building, which houses the Canadian Museum of Nature, was completely renovated, including new foundations for a new internal steel skeleton for seismic reinforcing, as well as a 2,600 square metre addition.

*(L-R): Maureen Dougan (Canadian Museum of Nature);  
Irvin Heiber (PCL Constructors); Michael Assal (GCAO);  
Barry Padolsky (PKG Joint Venture Architects);  
Maria Somjen (Public Works & Government Services  
Canada)*
